

Toni Diamond

Fifteen years ago, when Squire Patton Boggs New York partner Larry Schiffer's sister-in-law, Toni Diamond, was diagnosed with Amyotrophic Lateral Sclerosis (ALS), she and Mr. Schiffer's brother, Warren Schiffer, were determined to raise funds to find treatments and a cure for ALS. Shortly after, Ms. Diamond's disease progression accelerated and she was forced to go on a ventilator to breathe. Mr. Schiffer was approached by his brother to take the reins on the fundraising gala,
